

Statement on the REACH-Regulation

Manufacturer's Name: Meilhaus Electronic GmbH
Manufacturer's Address: Am Sonnenlicht 2, 82239 Alling (Germany)

Declares under sole responsibility that our products will be manufactured RoHS conformal.

The **REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals)** was adopted by *Council Regulation No. 1907/2006* of the European Community. We have made ourselves familiar with the rules in order to continue a safe supply for our customers.

All products manufactured and sold by Meilhaus Electronic GmbH come under the definition of articles in **Article 33** of the **REACH Regulation**. This information reflects the judgement of the European Court of Justice on September 10, 2015.

Registration of our products and imported articles is not required as no substances will be released in volumes more than one ton per year presupposing normal or reasonably foreseeable usage.

None of our products contain substance mentioned in the **SVHC list (Candidate List of Substances of Very High Concern for authorisation)** in concentrations more than 0.1 mass percent.
